Description

These are great, rustic, barn wood TV stands, made from recycled, old barnwood. They are 2" thick and heavy. We put 2 shelves in for all your components. The color varies from browns to grays which gives these pieces lots of character and versatility as they blend with a variety of other wood pieces. As always, custom sizes are available. We finish these with a medium walnut stain and lacquer.

Please allow 4-6 weeks to build if we don't have it in stock.
