Description

This great blanket chest is made in the "Desperado" style, and would be perfect in any room in your rustic home, ranch or cabin. We use beautiful blue pine for the top, sides and front and then trim it all out in full logs all around. There is lots of room inside to store all your stuff!! This is just the right height so you can also use it as a bench. This piece looks great in a bedroom, family room or an entry way. We finish this off with a boiled linseed oil and lacquer. This chest is American made right here in Coeur d'Alene, ID. The dimensions are 54"(w) x 22"(d) x 21"(h), but we can make it to suit your specifications.

Please give us 4-5 weeks if we have to build one of these for you.
