Description

What a GREAT dining table. This one is made by "Old Hickory", a company made famous by the furniture they supplied to our national parks in the early 1900's. This furniture is so durable that the original pieces are still in use at Yellowstone's Old Faithful Lodge and Glacier National Park. They offer different finishes on the hickory logs and on the table tops, as well as LOTS of other styles. Their dining chairs come in many styles with a VERY extensive fabric selection. Please call for pricing as their options are extensive and determine the price. Old Hickory has a very big line of furniture including dining, bedroom, living room, office, lighting and outdoor furniture.

Please allow 8 weeks if we do not have this in stock.
