Description Here's a different style sofa, with large rounded arms accented with large nail head trim, there is just enough rustic here for any cabin or lodge, but not so rustic that it couldn't be a great accent piece for modern, traditional or industrial style as well. Shown here in "colt coffee", this style is only available with 1color of fabric, but don't despair folks!!! Intermountain Furniture offers a lot of choices in fabrics, I'm sure we can find one that will work for you. Intermountain furniture is located in Salt Lake City, UT and all the upholstered furniture is American Made at their factory. Loveseats, Chairs, Ottomans and Sleepers are also available. Please call for current pricing on the sofa and any of the matching pieces.

Please allow about 8 weeks to order in if we are out of this style. Also, we do ship around the US so please call for shipping rates
