Description

This barn wood desk made of recycled wood will look amazing in your office or in your rustic home, cabin or ranch. The barn wood has lots of nail holes and color for a truly rustic look. We have inset a piece of laminate into the top for a smooth writing surface and framed it with barn wood. There are many laminates to choose from so you can find one that is perfect for your decor. This desk has 2 file drawers on the right side, and the left side has a cabinet for your computer tower and a smaller drawer. There is a pullout tray in the center for your computer keyboard. This desk is American made right here in Coeur d'Alene, ID, and the dimensions are 73"(w) x 28"(d) x 35"(h). This desk can be built in various configurations to suit your needs.

Please allow 5-6 weeks if we need to build one of these if they are out of stock.
